### HARDY CARNATIONS

#### ENGLISH COTTAGE CARNATIONS

Spicy Fragrance

All Summer Bloom

Now you can have carnations in your garden that look like those in a greenhouse. Large, spice scented 2 1-2 inch blooms on sturdy 12 to 15 inch stems rise from mats of blue-green foliage. The plants defy the most severe winter conditions as long as they are in a well drained spot. All Carnations bloom best when the sun is warm so plant them where they will have sunshine all day.

**DUBONNET**—Very fragrant purple flowers with a crimson undertone. 10 to 12 inch stems from neat compact plants. Very winter hardy.

**LUCIA**—Soft glowing shade of rose pink with salmon shading. This variety is very free flowering making a good show in the garden. Excellent as a cut flower particularly at night under artificial light.

**ROSE UNIQUE**—Spicy fragrant, old rose double blooms from early Summer until late Fall. The Unique type Carnations form dense mats of blue-green foliage and are very free flowering, making them ideal garden subjects. Long lasting as a cut flower, very winter hardy.

**SALMON UNIQUE**—Lovely large salmon pink flowers all summer. Very spicy fragrance, this variety is identical to the above in every detail except for color.

**SYLVIA**—Lovely light rose pink flowers. Each petal is edged with silvery white and the pink blends to deep salmon towards the base.

**WALLACE RED**—A late introduction of real merit. Flowers semi double crimson red on 10 or 12 inch stems. Dwarf compact plants blooming all summer.

PRICE 65c ea., 3 of one kind \$1.50, 6 of one kind \$3.00 postpaid 3 different kinds \$1.75, 6 different kinds \$3.35

## FLORABUNDA ROSES

Each year this family of roses is being planted more and more because they are winter hardy and bloom all summer with little attention, and the brilliant colors and brightness add to any planting. Use them in front of your evergreens, on the terrace, along walls and side of garage. Use them to accent your flower beds or borders. They live several years and will bloom with bright colors. Plant this spring and they will bloom all summer thru.
